- (F) is made for contributions to membership organizations, associations, or similar entities in which the funds are used to make expenditures attributable to the entity or its representatives.
- (c) "Bona fide personal or business entertainment or gifts" means entertainment or gifts provided to state officers or employees of the legislative branch, candidates for the legislature, or legislators-elect, or their spouses, that are based solely on a business or personal relationship totally unrelated to the duties of the state officer or employee of the legislative branch, candidate for the legislature, or legislator-elect. The factors that shall be taken into consideration in determining whether a specific entertainment or gift falls within this definition include the following:
 - (1) The intent of the parties;
- (2) the length of time a business or personal relationship has existed;
 - (3) the topics of discussion;
 - (4) the setting;
 - (5) the persons attending;
- (6) the reimbursement of the person providing the entertainment or gift by an organization that engages in lobbying; and
- (7) the deduction by the person providing the entertainment or gift, or that person's principal, of the expenditures as lobbying expenditures.
- (d) (1) "Gift" means the transfer of money or anything of value without receiving legal consideration of a reasonably equal or greater value in return. The value of a gift shall be the fair market value or a reasonable estimate of it. If a transfer is made for less than reasonable consideration, the amount by which the value of the transfer exceeds the value of the consideration received shall be deemed a gift.
- (2) The term "gift" shall not include any of the following:

- (A) The provision of hospitality in the form of recreation with a value of less than \$100, food, or beverage;
- (B) any bona fide personal or business gift or entertainment; or
- (C) any contribution reported in compliance with the campaign finance act.
- (e) "Hospitality in the form of recreation, food and beverage" means the provision of recreation to or consumption of food and beverage by a state officer or employee of the legislative branch, candidate for the legislature, or legislator-elect while the state officer or employee of the legislative branch, candidate for the legislature, or legislator-elect is in the company of the donor or the donor's authorized agent.
- (f) "Entertainment" means the provision of recreation, food, or beverage to a state officer or employee of the legislative branch, candidate for the legislature, or legislator-elect, when the state officer or employee of the legislative branch, candidate for the legislature, or legislator-elect is not in the company of the donor or the donor's authorized agent.
- (g) Invitations. In order for an invitation to comply with K.S.A. 46-269(c)(2)(E)(i) or (c)(2)(E)(ii) and amendments thereto, an invitation shall be meaningful and issued in good faith. In determining whether an invitation is meaningful and issued in good faith, the factors that shall be considered include the following:
- (1) Actual notice. The person extending the invitation shall provide notification in a manner that ensures that the majority of the invitees received actual notice. The manner in which the invitation is distributed or communicated to the invitees shall remain within the discretion of the invitor.
- (2) Timeliness of notice. The invitees shall receive notice in a manner sufficiently timely to allow them a reasonable likelihood of attending the event. Considerations shall include the location of the event, the location of the invitees, the necessity of travel to the event, and the scheduling of other events generally attended by a significant portion of the invitees.
- (3) Likelihood of attendance. There shall be a reasonable likelihood that the majority or a reasonable mix of the invitees will or reasonably could attend the event. An invitation to an event that is historically attended only by certain individuals and that carries no reasonable likelihood that the majority or a reasonable mix of the invitees will attend shall not be deemed to be an invitation pursuant to K.S.A. 46-269(c)(2)(E)(i) or (c)(2)(E)(ii) and amendments thereto. (Authorized by K.S.A. 46-253; implementing K.S.A. 46-237 and 46-271; effective, E-77-7, March 19, 1976; effective, E-77-20, May 1, 1976; effective Feb. 15, 1977; amended May 1, 1980; amended June 22, 1992; amended Jan. 23, 2004.)
